**Land for development of airports**

†2105. MISS ANUSUIYA UIKEY: Will the Minister of CIVIL AVIATION be pleased to state:

(a) the names of airports for which land has been given to Airports Authority of India for development by the State Government of Madhya Pradesh:

(b) whether the work on these airports have been completed; and

(c) if not, the reasons for non-completion of work and by when the work is likely to be completed?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) State Government has acquired and handed over 30 and 355.66 acres of land to Airports Authority of India (AAI) at Jabalpur and Khajuraho airports respectively free of cost and free from all encumbrances.

(b) and (c) At Jablapur airport, construction of a new Terminal Building and strengthening and extension of runway to 6500 feet has been completed.

At Khajuraho airport, strengthening and extension of runway to 7500 feet has been completed and construction of Integrated Terminal Building and apron etc. is planning stage and expected to be completed by December, 2008.

**Improvement in baggage screening at airport**

2106. SHRIMATI S.G. INDIRA: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether it is a fact that Government have received proposals from various quarters for better baggage screening at airports;

†Original notice of the question was received in Hindi.

(b) if so, the details thereof; and

(c) whether it is also a fact that India is one of the few countries where passengers baggage-to-be checked is subject to pre-screening before being presented at the airlines check-in counter?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) Yes, Sir.

(b) Airports Authority of India (AAI) has invited Global Tenders for In-line X-ray Baggage Inspection System (In-line XBIS) for Kolkata, Chennai, Ahmedabad, Calicut and Srinagar Airport.

(c) Screening of hold baggage is being done before check-in because of the limitation in space at the concourse and the consequent inability of aligning the check in counters with X-ray baggage inspection systems.
